Particular attention may be given to the following subject, since there are hundreds of thousands using the Eureka Comb throughout the United States and Isles. They give the best of satisfaction as to our recommend, straightening the hair beautifully with one stroke, and as assistance in causing a rapid growth. Evidences coming to us from every source, of which is pleasing, that the Eureka

Comb performs precisely as advertised. No better comb on the market for purposes as we have been advised that other combs are toys, when it comes to benefits and effectual influences when used as to directions, for which every comb placed goes with it instructions, how to use and for what purposes. Wherever introduced the Eureka preferable. Merchants and agents are successful when they are placed conveniently in quantities for

They are usually sold for \$1.50 (one dollar and fifty cents) each complete. The only thing is to was that of Mrs. Martha Abernathy be careful in the purchase as there is no other comb that will answer the purposes so well as the last Wednesday at the progressive Eureka.
